

Message from Beth Palmer

“Mustard Seed Ministries is about neighbors loving neighbors. You and I are commissioned by God to love... to love Him and to love our neighbor. At Kerrville First United Methodist Church and Light on the Hill at Mount Wesley, we pray that loving others and sharing Jesus and the hope that He brings to life, would be such a natural part of who we are and how we live that we don't call it 'outreach' or 'mission' but simply 'living' in community. We desire to have a long-term relationship with our neighbors so that we can truly call each other 'friend.' Mustard Seed Ministries is servant –run. (I am trying to get away from the term 'volunteer' because I feel that volunteering is something you do for a set period of time, but having a servant heart is who you are and how you live all the time.) **Through Mustard Seed Ministry, we share small things, but with great love!** We listen to our neighbors and strive to match resources with needs. Local agencies and ministries meet monthly to share information so we can be more effective in our efforts. But by far, the most important thing we share is hope... the hope found only in a relationship with Jesus Christ.

Mustard Seed Ministries partners with the San Antonio Food Bank, Methodist Healthcare Ministries, Peterson Regional Hospital, Schreiner University, St. Vincent de Paul, Families and Literacy, Kerr Konnect, Habitat for Humanity, the Doyle Community Center, among many others, to serve our neighbors in the most comprehensive way possible. But most importantly, thank you for your amazing generosity and support of this tremendous ministry. Together, we are able to share Christ, with our neighbors, for the transformation of the world!”

Beth Palmer

The kingdom of heaven is like a mustard seed, which a man took and planted in his field. Though it is the smallest of all seeds, yet when it grows, it is the largest of garden plants and becomes a tree, so that the birds come and perch in its branches.

- Matthew 13:31-3
